

Citrand™

Heavy-duty hand gel with pumice

Soft mobile hand cleaning gel. Quickly and easily removes medium to heavy oil, grease, grime and everyday soiling.

Contains pumice which acts like mini scrubbing brushes to remove difficult soil.

Neutral pH. Contains glycerine for added skin protection.

- Refreshing, citrus, fragrance makes it pleasant to use.
- Will easily rinse off in warm or cold water.
- Ideal for use in garages, engineering workshops, warehouses, builders yards, construction sites and all general industry.
- Suitable for use through the Evans Evolve dispenser or applied directly from the container using a pelican pump dispenser.
- A wall bracket is available to fit the 5 litre container.

HAND CLEANING:

Apply to dry hands, rub in well until all dirt and grease has been loosened then rinse with warm or cold water. Dry hands thoroughly.

The use of Evans CAREHANDS universal barrier and moisturising cream is recommended prior to starting and finishing work.
